

Eighth International Symposium on Ground Support
in Mining and Underground Construction

SEPTEMBER 12 – 14, 2016, LULEÅ, SWEDEN

Venue: Kulturens Hus – Conference & Congress, Luleå

This is a unique opportunity to display tools, technologies and services for an audience with interest in ground support. It also provides a valuable opportunity to network and interact with customers and colleagues from the industry and academia. The number of exhibitors is however, limited due to space, and the booking is based on “first come first served”.
